The current Constitution has been revised in two areas: (1) To add language on sexuality issues to protect our church against such issues and (2) To reorganize the Church Council to keep the service deaconates in place (facility, finance, general affairs, global missions, IT and secretary). The other ministry deaconates (caring, Christian education, fellowship, local missions and worship) are relegated to a different operational tier and embedded into each of the language core teams. In their place at the Council level and specific to a language congregation, are birthed language deacons. The language deacons and service deacons will each serve for two year terms. The revised document is available for your review for the next two months and voted at the annual congregation meeting on Dec. 4th, 2016.
